

VolunTeen Parent/Guardian Consent and Release of Liability Form

My son / daughter, _____, has my permission to serve as a St. Mary's Medical Center VolunTeen. As the parent/guardian of the above-named student, I will read the literature that is provided to my child so that I know what will be expected of him/her. Volunteering may include observing patients in a healthcare setting and observing medical, laboratory, and/or business procedures. I further understand that St. Mary's Medical Center offers medical services for the care and treatment of a wide range of illnesses, diseases and injuries, including but not limited to, such infectious diseases as tuberculosis, hepatitis, and HIV and that there is a risk, however slight, that my son/daughter might be inadvertently exposed to such diseases at the Hospital.

I do hereby fully and forever, remise, release and discharge St. Mary's Medical Center (defined herein to include, but not be limited to, Mountain Health Network, St. Mary's Medical Center, St. Mary's Medical Management their officers, directors, members, partners, affiliated organizations, employees, agents, and representatives) of and from any responsibilities of injury or accident as a result of the volunteering experience. I understand that in case of a medical emergency, every attempt will be made to contact me before medical action is taken. However, this document is my consent as parent or guardian for emergency treatment and/or procedures necessary for my son/daughter by the professional staff at St. Mary's Medical Center.

I hereby, for myself and for my child, and intending to be legally bound, release, discharge and relieve St. Mary's Medical Center (as defined above) of and from any and all claims whatsoever of any nature as a result of his/her volunteering and all related activities.

I release and give my permission to St. Mary's Medical Center, its agents and employees to interview and/or take photographs and/or video of my child in his/her capacity as VoluTeen for current and future use in news/feature stories; promotional publications, videos or displays; and the St. Mary's Medical Center web site.
