

St. Mary's School of Medical Imaging Program

AAS in Radiologic Technology

The St. Mary's School of Medical Imaging (SOMI) program is a hospital-based program, partnered with Mountwest to offer an Associates of Applied Science in Medical Imaging. The program curriculum is designed to prepare students to practice Diagnostic Radiography.

The Radiography curriculum consists of Year 1 (pre-requisite courses), Year 2, Year 3. The program can be completed in three years.

All pre-requisite courses must be completed according to the MU/MW/SOMI published curriculum before entering the MI curriculum at St. Mary's School of Medical Imaging (SOMI). Applicants may apply to the program while enrolled in a pre-requisite course. Offers of admission will be contingent upon completing the course with a grade of C or better prior to the start of the St. Mary's School of Medical Imaging (SOMI) coursework. A letter grade of C or better must be obtained in each of the following Marshall University (MU) and/or Mountwest (MW) courses designated with an asterisk* (or equivalent courses from other institutions transferable to Marshall University (MU)).

Pre-Requisite Courses

Incoming <u>Marshall (MU)</u> Students		Incoming <u>Mountwest (MW)</u> Students	
Code	Course Name	Code	Course Name
BSC 227	Human Anatomy*	BIOL 260	Human Anatomy with Built in Lab *
BSC 227 L	Human Anatomy Lab*		
CLS 105	Medical-Lab Terminology (CT)	AH 151	Medical Terminology
MTH 121	Concepts and Applications (CT)	MAT 120	Applied Professional Math
ENG 101 or ENG 201 or CMM 103	Beginning Composition Advanced Composition Fund Speech-Communication	COM 112 or COM 125	Oral Communication Interpersonal Communication
BSC 228	Human Physiology*	BIOL 265	Human Physiology with Built in Lab *
BSC 228 L	Human Physiology Lab*		
PHY 101	Conceptual Physics*	SCI 110	Introductory Physics with Built in Lab*
PHY 101 L	Conceptual Physics Lab*		

Applicants who did not attend Marshall University (MU) and/or Mountwest (MW) should verify with Mountwest that all course work will be transferable as equivalent to Mountwest. Course work transferred as "unclassified" will not be acceptable as a pre-requisite course.
